CITY BOARD AND COMMISSION RESPONSIBILITIES

Planning Commission – The Planning Commission is responsible for conditional use requests, variances, and land subdivisions. They make recommendations to the City Commission on land use issues and any other matters relating to the planning and development of the city. The Planning Commission is composed of seven members, with no more than two of the members engaged in the same occupation, business or profession able to serve on the commission.

The main qualification for appointment to the planning commission is the desire to assist in the orderly development of the city. Members are appointed to four year terms. The meetings are held at 7:00 p.m., on the second Wednesday of each month.

Budget Committee – The Budget Committee was established by state statute to ensure citizen involvement in the preparation of the budget. The city budget is a joint effort between the people affected by the budget and elected officials responsible for providing the services.

The Budget Committee consists of the City Commission and an equal number (5) of appointed members of the community. An appointed member must be someone who is qualified to vote in elections within the City of Warrenton. Appointed members serve on the committee for three years. Budget meetings are scheduled in the spring of the year. There are usually four to six meetings scheduled during this time.

Library Board – The Library Board was established to operate a community-based library. The board members are expected to take an active part in the library operation and recommend to the City Commission rules and policies for the efficient and effective operation of the library, its services, and programs.

The main qualification for a board member is sincere desire to help provide library services for our community. There are seven members on the board. The members serve on the board for four years and meetings are held each month.

Warrenton Community Center Advisory Board – The Warrenton Community Center Advisory Board was created to oversee the operation of the community center. The board's principle goal is to ensure the community center is self-supporting from fees generated by the users, so it will not become dependent on property taxes. The board members are responsible to establish rules and policies for center development and operations.

The principle qualification for persons interested in the center is their willingness to assist the City in providing a community center building for our citizens. Meetings are held monthly, or every other month, on the second Wednesday of the month at 4:00 p.m. The board consists of five members with each member appointed to a four year term.

Warrenton Business Association – The Warrenton Business Association was established to assist the economic interest groups of the City of Warrenton in a way that promotes a shared vision and stimulates economic thinking, unified planning efforts, promotes the Warrenton business community, and represents all business by promoting the livability, location, and business interaction in our city. Any business within the City of Warrenton is eligible for membership in the Warrenton Business Association.

The Warrenton Business Association is conducted by a board of directors consisting of between seven and nine members. A term of office for board members is three years. Meetings are held on a regular basis.

Student Commissioner – Students from Warrenton High School would apply for the Student Commissioner position, including a resume listing their accomplishments, interests, and reasons why they would like to serve as Student Commissioner. The Warrenton City Commission will conduct interviews with each candidate and select a student to serve as Student Commissioner.

The Student Commissioner will serve a one-year term. At the expiration of the term, the Student Commissioner may reapply for another one-year term. No Student Commissioner may serve for more that two consecutive terms. The Student Commissioner will be excused from Executive Sessions.
